Bibliothèques Municipales

une fenêtre sur le monde

Dear families,

Today, during a school excursion, your child has had the opportunity to visit the Municipal Library of your neighbourhood. We hope that he/she has enjoyed the visit and it would be a pleasure for us to reckon him/her among the customers of our library.

By simply presenting an identity document, you can subscribe your child to the library services. The lending of books, CDs and DVDs is free.

We regularly arrange diverse activities (workshops, readings, shows, exhibitions, etc.) to which you are welcomed and we would also be happy to advise you in regards to the election of documents for your child.

We remain at your disposal for any further information and we are looking forward to you and your child visiting our Library.
