### Publications scientifiques reçues ou cataloguées en 2005 au Centre chauves-souris

### *Scientific publications received or catalogued at the Swiss bat center in 2005*

La direction et la bibliothèque du Centre chauves-souris remercient chaleureusement les auteurs qui ont envoyé leurs publications sur les chauves-souris  
*The management and the library of Swiss Bat Center warmly thank all the authors who sent their bat publications.*

2004. Atlas der Schweiz = Atlas de la Suisse = Atlante della Svizzera = Atlas of Switzerland : version 2.0. Wabern, Swiss Federal Office of Topography: 1 DVD (Mac/PC) + 1 fasc. (64 p.).
- ABHILASHA & KRISHNA, A. 1996. High androgen production by ovarian thecal interstitial cells : a mechanism for delayed ovulation in a tropical vespertilionid bat, *Scotophilus heathi*. *Journal of reproduction and fertility* 106(2): 207-211.
- ABHILASHA & KRISHNA, A. 1997. Adiposity and androstenedione production in relation to delayed ovulation in the Indian bat, *Scotophilus heathi*. *Comparative biochemistry and physiology. Part C. Pharmacology, toxicology & endocrinology* 116(1): 97-101.
- ADAMS, R.A. 2003. *Bats of the Rocky Mountain West : natural history, ecology, and conservation*. Boulder, University Press of Colorado : XIII, 289 p.
- AFKARI, F. & SHARIFI, M. 2005. Cave morphology and roost selection : a bat conservation implication. In: *European Bat Research Symposium (10, 2005, Galway)*. Abstracts of the Xth European Bat Research Symposium, Galway, Ireland, 21st-26th August 2004. Galway, National University of Ireland: [1 p.].
- AGATE, J. & CATTO, C. 2004. Novel training for the identification of bats using heterodyne detectors. In: *European Bat Detector Workshop (5, 2002, Forêt de Tronçais)*. *Le Rhinolophe* 17: 136-137.
- AGORAMOORTHY, G. 2002. Bat tracks. *Down to Earth* May: 46-48.
- AGORAMOORTHY, G. & HSU, M.J. 2001. Predatory attack on bats by barn owl *Tyto alba* and shikra *Accipiter badius* in Tamil Nadu state, South India. *Journal of the Bombay Natural History Society* 98(1): 107-108.
- AGORAMOORTHY, G. & HSU, M.J. 2005. Population size, feeding, forearm length and body weight of a less known Indian fruit bat, *Latidens salimalii*. *Current Science (Bangalore)* 88(3): 354-356.
- AGUIAR, L.M. de S. 2005. First record on the use of leaves of *Solanum lycocarpum* (Solanaceae) and fruits of *Emmotum nitens* (Icacinaeae) by *Platyrrhinus lineatus* (E. Geoffroy) (Chiroptera, Phyllostomidae) in the Brazilian Cerrado. *Revista Brasileira de Zoologia* 22(2): 509-510.
- AHLEN, I., BACH, L. & BURKHARDT, P. 2002. Bat migration in Southern Sweden. In: *European Bat Research Symposium (9, 2002, Le Havre)*. Abstracts of presentations at the 9th European Bat Research Conference, August 26-30 at Le Havre, France. *Bat Research News* 43(3): 71.
- AIHARTZA, J., ALMENAR, D., GOITI UGARTE, U., SALSAMENDI PAGOLA, E. & GARIN, I. 2005. Long-fingered bats, *Myotis capaccinii*, prey on live fish. In: *European Bat Research Symposium (10, 2005, Galway)*. Abstracts of the Xth European Bat Research Symposium, Galway, Ireland, 21st-26th August 2004. Galway, National University of Ireland: [1 p.].
