

## Orienteering in the park

As part of the exhibition “Where are you?”, you can do an orienteering to discover the Pearl of Lake Park.

Ask at the Reception Desk for the map of one of the orienteering circuits in the park. With the help of the map try to find each of the control points on the circuit and discover at the same time some of the most interesting features of the park.

At each control point, stamp the corresponding number on your document with the pliers fixed on the numbered posts.

Have a nice orienteering and don't get lost !
